## PU TechnoChairs

A comprehensive range of polyurethane seating to match anything else available on the market.

This is arguably the most comfortable and robust seating of its kind for laboratory, industrial and sterile environments.

- Soft touch polyurethane seat and back
- Elliptical features enhance airflow and reduce heat build up on the body
- Surface texture provides maximum grip
- All chairs feature a PCB (permanent contact back)
- Independent seat and back mechanisms optional
- Chrome base and column optional, black base and column as standard
- Brake unloaded castors available on PU6, 153, 201 and 205
- Brake loaded castors available

Please see page 104 for mechanism descriptions ►►►
